

NODA WORKS!

WHAT IS NODA WORKS?

This is an idea similar to the Academy's DPG's only on a local level and applies to any topic that you as a NODA member would like to work with. It is an interest/work group where you can meet with other dietitians and discuss/work on projects within that topic.

THE PURPOSE OF NODA WORKS

To expand the use of the great network that NODA is, and provide opportunities for further development and activities among our members.

EXAMPLES OF NODA WORKS TOPICS

- Order writing privileges
- Dietitian volunteer opportunities
- Specialty certification study groups; CDE, CNSC, CDR Board Exams and more
- Specific topics; peds, oncology, diabetes, nutrition support and more
- Feel free to come up with your own topic

WHO CAN JOIN A NODA WORKS GROUP?

You have to be an active member of NODA. You can join as many groups as you want.

HOW DO I SIGN UP?

There will be a sign-up sheet at every NODA meeting where you sign in. You write your name, contact information, and what topic/s you are interested in. We will then contact you with further information.

HOW ARE THE GROUPS ORGANIZED?

The groups will be run by the members of the group. NODA requires each group to have one person who keeps the members list, send out meeting invitations.

The meetings can be in any form the group decides; in person, Skype, and so on.

Towards the end of the NODA year, by the last day of February, you will send in a very short form regarding the group's activities.
